

PINKMEAD ESTATE & VINEYARD

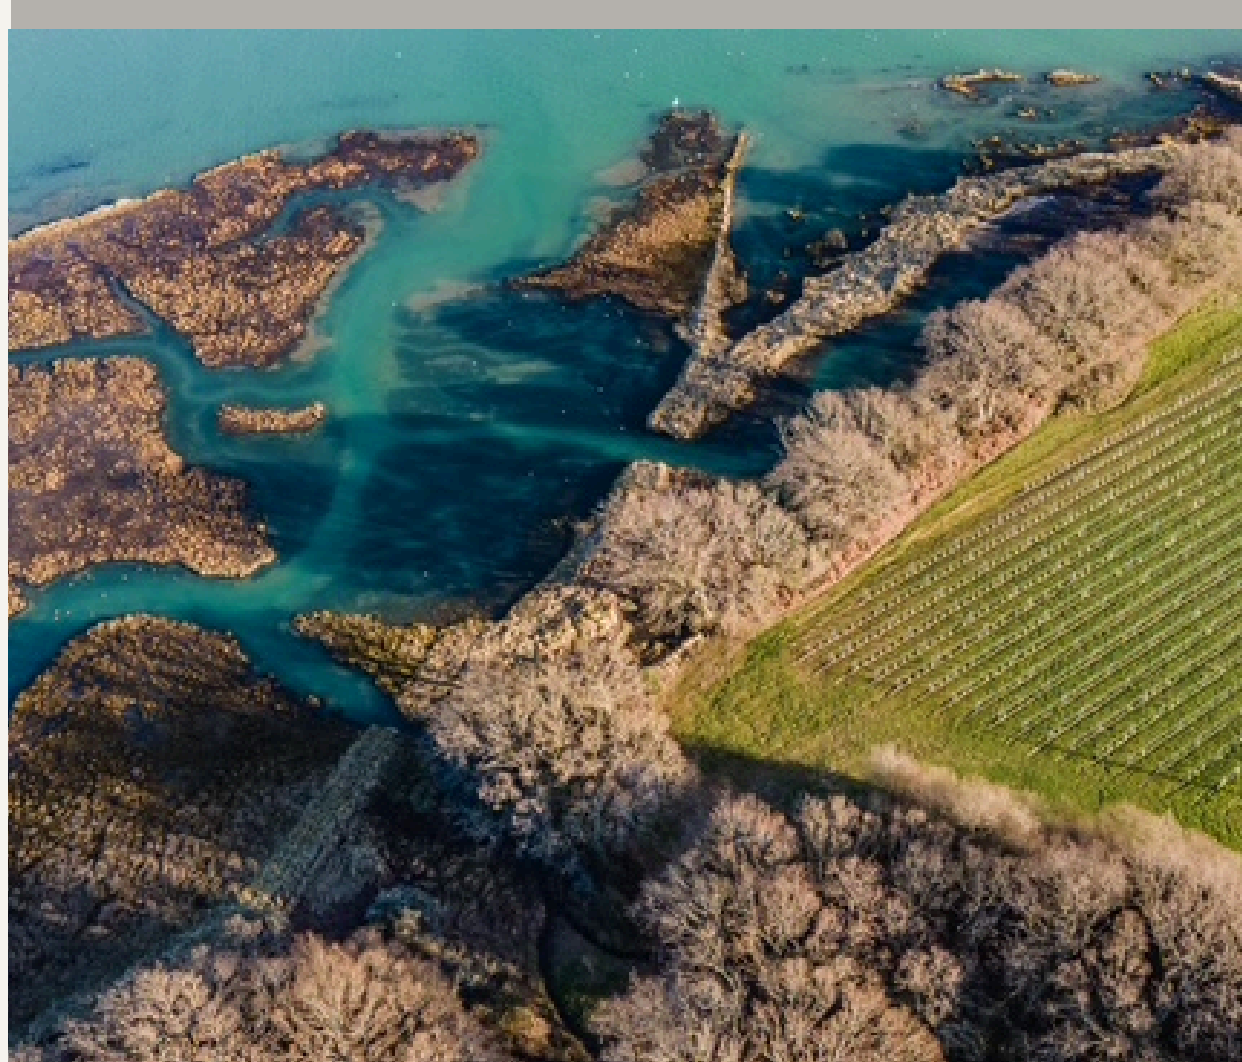

Pinkmead Estate & Vineyard is more than just a residence; it's an immersive retreat, a love letter to nature, and a gateway to discovery. Here, biodiversity flourishes alongside luxury, offering guests a unique opportunity to reconnect with the land while indulging in an exclusive, private escape. Over the past 8 years the estate has grown and developed offering an intimate, tailored experience with thoughtfully designed interiors that blend comfort with elegance, while every detail reflects a commitment to sustainability and quality.

The Estate offers not just a place to rest your head. It welcomes four-legged friends with open arms, allowing them to roam freely across the 24-acre grounds. Ride along the scenic cycle path on a Pendleton bicycle, cruise the estate in Eddie the electric golf buggy, paddleboard or kayak on the river, or simply sink into the sofas with a glass of estate-bottled Pinkmead Gin and relax.
