

THE TOWERS

Yarmouth

A beautiful and idyllic setting for any celebration, the grounds of The Towers surround a one of a kind 18th century home often described as a castle set right on the water on the Isle of Wight. With its own private jetty, the marquee venue offers the rare opportunity to arrive or depart by boat, adding a distinctive touch to your day. Perfectly positioned in Yarmouth, it's just a short walk from the church and the historic George Hotel. With elegant gardens and sweeping sea views, the grounds provide an exceptional backdrop for weddings.
